Console Pocket

Revision

Rev.B

Form

INST-590

Printing Spec: PS-001

The 7160-0464 Console Pocket is designed to be attached to either side of the Chevy Tahoe (7160-0434) console box. The pocket is attached to the side of the console box by field drilling six 3/16" dia. holes to align with the six slots on the console pocket. Attach the console pocket to the console box with the #8-32 hardware provided in hardware bag 7120-0597.

Drill 3/16" dia. holes at these locations on each side of the pocket

Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brakes lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with the original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.
