**Seat Belt Deflector**

**Printing Spec:PS-001**

This instruction sheet is for the 7160-1045 Seat Belt Deflector. It is designed to mount to the back of the 7160-0412 Utility Specific console box.

## **Attaching the deflector**

1. Attach the deflector to the back of the console box with the 1/4-20 hex bolts and washers provided in the hardware bag.

Note: If the console box has an armrest attached. Remove the armrest, insert the seat belt deflector in-between the console box and the armrest and reattach using the existing bolts.

### Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brakes lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with the original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.
