**LINDE E30 LATCH MOUNTING BRACKET**

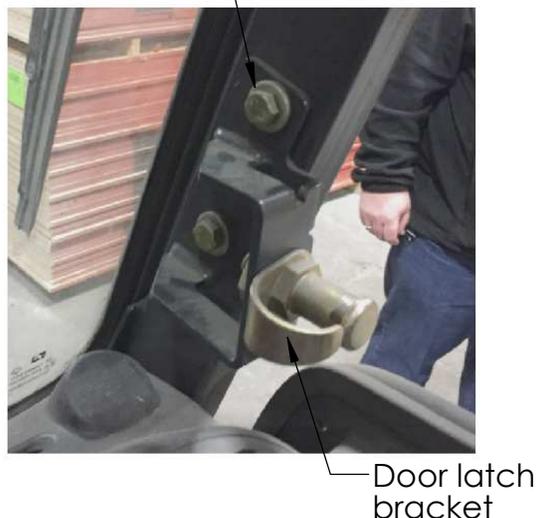

**Printing Spec:PS-001**

The 7160-1103 Linde E30 latch mounting bracket is designed to mount to the existing door latch bracket on the Linde E30 forklift (See Figure 1 below).

## **Attaching the latch mounting bracket:**

1. Mark the current location of the latch bracket on the overhead guard leg with a pencil. Then removing the hex bolts that hold the latch bracket in place.
2. Reattach the latch bracket and the Gamber-Johnson mounting bracket (GJ bracket on the outside) with the exiting hardware removed from step 1. Note to align the latch bracket with the pencil marks from step 1 so the door closes correctly.
2. 3/8" hardware has been provided in hardware bag 7120-0810 for attaching a 7160-0371 clam shell.
