## **Attaching the brackets to 7160-1265:**

### **Left Side Bracket:**

1 - Remove and discard both of the screws on the left corner bracket of the dock

2 - Align the left tablet bracket and attach it to the dock with two of the screws included in the kit

### **Right Side Bracket:**

Repeat the same process on the right side of the dock

## **Attaching the brackets to 7160-0802:**

The CF-20 tablet brackets are backwards compatible with the previous version of the dock

### **Left Side Bracket:**

1 - Remove ONLY the two screws indicated below in the left corner bracket of the dock

2 - Align the left tablet bracket and replace the two screws removed in step 1

### **Right Side Bracket:**

Repeat the same process on the right side of the dock
