

SAMSUNG GALAXY TAB ACTIVE2

CARGO & LOGISTICS MOUNTING PRODUCTS

- ✓ Semi ready
- ✓ Rugged design
- ✓ Dependable

Being on the road doesn't mean you have to be out of touch. Stay connected and work without worry thanks to the rugged Gamber-Johnson cradle and docking station for the Galaxy Tab Active2.

INCREDIBLY RUGGED

Tested to MIL STD 810G specifications, Gamber-Johnson protects your tablet and ensures that, during a crash, your tablet won't become a dangerous projectile in your vehicle.

USE WITH ONE HAND

It only takes one hand to place your tablet in the station or remove it.

EASY TO INSTALL

The Samsung Galaxy Tab Active2 docking station and cradle are easily adapted to our dashboard mounting products and our semi tractor vehicle solutions.

SAMSUNG

GALAXY TAB ACTIVE2 DOCKING STATION

The docking station is compact, lockable, and can be used with one hand. When wired to your vehicle, the station provides power to your tablet's battery so it will stay charged and ready to go. It features one USB port and access to your stylus even when your tablet is docked. Or, select the optional kit that replaces your tablet's battery and charges your tablet directly from your vehicle's power source using your docking station.
