

AFS PROTECTOR SERIES: POWER DISTRIBUTION CENTER FUSE PANELS

Features

- Protector Series provides power distribution centers and fuse panels to be used as
- stand-alone products or augment the Installer or Integrator Series Harnesses.
- Provides timed, battery hot and ignition hot circuits in a compact power distribution center.
- Direct plug in of DR series timers and perfect solution for command boxes.
- Color-coded and labeled wiring with detailed color schematics.
- Fabricated wire harness of high quality TXL copper exceeds SAE Standard J-1128.
- Heat rated: tested for maximum loads at -40°F to 221°F.
- Fire retardant protective loom.
- Protector Series does not include grounds, lighting triggers or spare wires.

Warranty Terms/Policy by AFS:

- No warranty for Fuses and Solenoids.
- 1 year limited warranty for Relays, Timers, Electronic Control Modules and Circuit Boards.
- 3 year limited warranty for Wire Harnesses, Fuse Panels and Power Distribution Centers.

ITEM NO.	DESCRIPTION	PLACEMENT	OUTPUT	WEIGHT
7300-0053	Protector Fuse Panel, 100 Amp, 6 Outputs, Screw Term (AFS #PD-B6)	Trunk, Console or anyplace multiple fused circuits are needed	6 (100 Amp)	0.08 lbs.
7300-0027	Protector Fuse Panel, 11 Outputs Split (AFS #PD-B11)	Trunk, Console or anyplace multiple fused hot, timed or ignition circuits are needed	6 (100 Amp) 5 (40 Amp)	0.11 lbs.
7300-0054	Protector Fuse Panel, 100 Amp, 12 Outputs, Screw Term (AFS #PD-B12)	Trunk, Console or anyplace multiple fused circuits are needed	12 (100 Amp)	0.11 lbs.

MANUFACTURED BY:

AFS PROTECTOR SERIES: DELAY SHUT DOWN TIMERS AND ACCESSORIES

ITEM NO.	DESCRIPTION	WEIGHT	
7300-0026	Programmable, Voltage Sensing, 30 Amp Load, Diagnostic LED Indicators Plugin Timer used with the 00	0.02 lbs.	
7300-0017	Kit (PK41VM): DR40-VM Timer, Voltage Sensing, 25 Amp Load, 00-1705 Pigtail	0.01 lbs.	
7300-0018	Kit (PK41VMR): DR40-VM Timer, 00-1705 Pigtail, 130/300 Amp Relay, Wiring	2.08 lbs.	
7300-0023	Pigtail and Connector for DR38 Series Timers (00-1705)	0.01 lbs.	
7300-0056	75 Amp Relay with Relay Control Connector (SK-1550)	1.0 lbs.	
7300-0055	200 Amp Master Relay Kit (SK-1502)	1.0 lbs
