

PANASONIC TOUGHBOOK® A3 TABLET DOCKING STATION

Keep your fleet connected in the warehouse, around the community, and on the road with Gamber-Johnson's rugged docking stations designed for the Panasonic Toughbook® A3 tablet computer.

Combine the Panasonic Toughbook A3 tablet computer with Gamber-Johnson's new vehicle docking station; connect to your network through the dock's Ethernet port and utilize the two powered USB ports to connect your peripherals. The one-handed dock/release saves time when taking the tablet out for use and the docking station ensures your tablet remains charged all day.

Certificates & Testing

- MIL-STD 810G Shock / Vibration
- SAE J1455 Crash Tested
- Cycle Tested: 30,000 cycles latch mechanism and docking connector
- Environmental Testing: High/Low temperature operational/storage and humidity
