

PANASONIC TOUGHBOOK® 20 LAPTOP DOCKING STATION

Engineered for the demanding work environments in utility, public safety, and material handling

This Gamber-Johnson Laptop docking station is designed to work with the Panasonic Toughbook® 20 2-in-1 laptop. Position the laptop in tablet or laptop mode and remove the tablet to use outside your mobile office. The docking station offers full port replication to support a mobile office environment and the keyed lock provides additional security to protect your investment. Designed for the roughest environments - Providing the highest quality and customer support.
