

PANASONIC TOUGHBOOK® 20 TRIMLINE™ LAPTOP DOCKING STATION

Engineered for your demanding work environment

The TrimLine vehicle dock for the Panasonic Toughbook 20 laptop is constructed from CNC machined aircraft aluminum and designed to withstand the harshest environments. Its ergonomic design is built with user safety in mind, and allows single handed operation for ease of use. This docking station offers full port replication to connect a variety of mobile peripherals, a keyed lock to secure the tablet, and a convenient front-facing latch mechanism for easy docking and release.

Certificates & Testing

- Panasonic Toughbook Certified
- MIL-STD 810G Shock/Vibration Tested
- MIL-STD 810G Environmental Testing: Humidity, High/Low Temperature (Storage/Operational)
- SAE RJ1455 Crash Tested
- Cycle Tested: 30K Cycles, Docking Connector, Latching & Locking Mechanisms
- RoHS, FCC, CE Certified

WEIGHT	HEIGHT	WIDTH	DEPTH
5.2 lbs / 2.35 kg	2.2 in / 5.6 cm	14.6 in / 37.0 cm	10.1 in / 25.6 cm

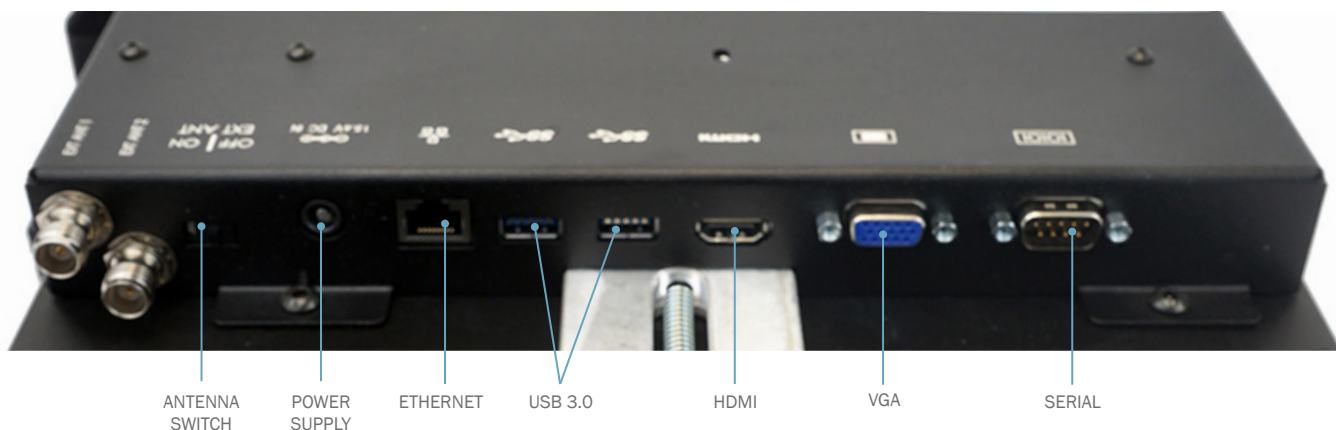

Features

- Compatible with the Panasonic Toughbook 20 and G2 tablets with attachable keyboards
- Space saving and ergonomic design improves safety and comfort
- CNC machined aluminum construction for rugged reliability
- Integrated genuine Panasonic electronics
- Docking connector cover reduces potential damage to critical components
- Floating protected docking connector for years of reliable connectivity
- Top mounted USB ports allow compatibility with Clam Shell mounts
- Patent pending optional screen lock/support arm prevents theft and reduces device wear. Screen Lock Arm will secure the tablet on the Toughbook 20, Screen Lock Arm is not compatible with the Toughbook G2.
- Forward facing release and locking mechanism for easy one handed operation
- Integrated cable strain relief Key locking mechanism for device security
- Available with or without dual RF pass-through (TNC)
- Available with power indicator light when purchased with PSU
- VESA 75mm mounting pattern
