

# DUAL POLE-MOUNTED SHELF - LARGE

**ITEM:** #7170-1004-10

**WEIGHT CAPACITY:**  
50 LBS / 22.6 KG.

This shelf is purposefully engineered for use with Premier's dual pole carts and stands to hold accessories up to 50lbs. Soundbars, cameras, laptops, and other video conferencing accessories can be set on or attached to the shelf using the various slots. Its two-piece design allows for easy installation before or after a display is mounted.

## FEATURES

- o Clamps to standard Premier 2" diameter dual pole carts and stands
- o Install before or after the display mount, hardware included
- o Supports laptops, soundbars, cameras, and other accessories
- o Extra slots for mounting a variety of accessories (Phones, Tablets, Zirkona)
- o Durable, black textured paint finish
- o TAA-Compliant
