

LMVF Fixed Flat Panel Video Wall Mount

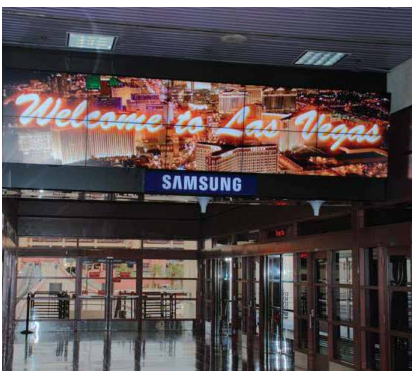

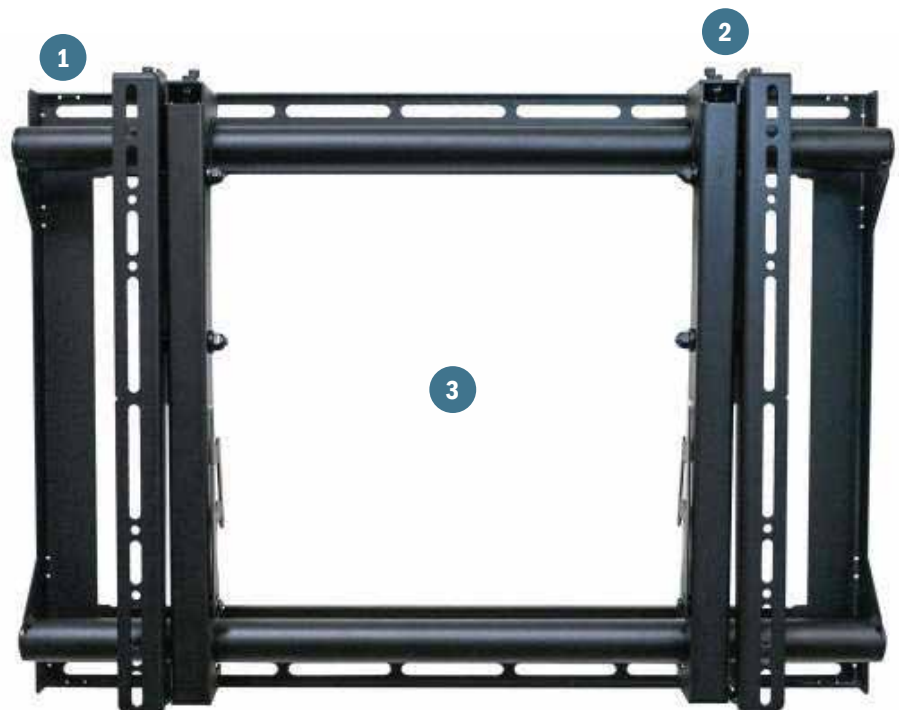

ITEM: LMVF

WEIGHT CAPACITY:
160LB/ 72KG

The LMVF Fixed Flat Panel Video Mount is a video mounting solution which features multi-monitor stacking, open-design, a built-in kickstand for easy service access, custom spacers and top-adjustable mounting brackets with convenient adjustments along the x,y, and z axis for easy panel alignment. The LMVF may be used instead of the LMV in areas of a video wall where access to a display is possible without the LMV's Press & Release™ extension feature.

FEATURES

- 1 Can be combined with LMV Press & Release™ mount to create an affordable video wall
 - 2 Top-adjustable fine-tune mounting brackets ensure easy display alignment
 - 3 Small base frame size provides quick and easy installation
- Service kickstand provides 16° of rear display access
 - Laser cut, precision design spacers ensure seamless alignment without the need for time consuming adjustments

Service kickstand provides 16° of rear display access

Top-adjustable fine-tune mounting brackets ensure easy display alignment

Can be combined with LMV Press & Release™ mount for an affordable video wall
