

GB-INWAVPL In-Wall Gear Box for AV Component Storage

ITEM: GB-INWAVPL

WEIGHT CAPACITY:
20 LB | 9.07 KG

FEATURES

- 1 Pairs with larger display mounting solutions
- 2 Built in electrical box
- 3 8 available conduit knockouts (.5"-1.25")
- 4 Two universal power plugs
- 5 Perfect for holding video wall components
- 6 Allows for integrated, recessed digital displays

The GB-INWAVPL is an All-in-One solution that works perfectly with the LMV family line to line to address AV equipment storage challenges. It also combines with other ADA compliant mounting solutions to provide storage for ultra-slim mounting applications. It is designed with 8 available conduit knockouts ranging in size from .5" to 1.25" so that installers can easily customize the GB-INWAVPL to their specific installation needs.

Built-in tie-down anchor points organize and secure all equipment and cables, and it includes a built-in electrical box with two universal power plugs. Utilizing the GB-INWAVPL with the Premier Mounts LMV family of flat-panel mounting solutions allows for video wall arrangements to have the ultimate storage space for digital media players. No matter what if it is a large LCD video wall or a small LCD video wall, utilize the extra space and get the visual structure as close to the wall as possible using a recessed in wall gearbox.
