BENEFITS

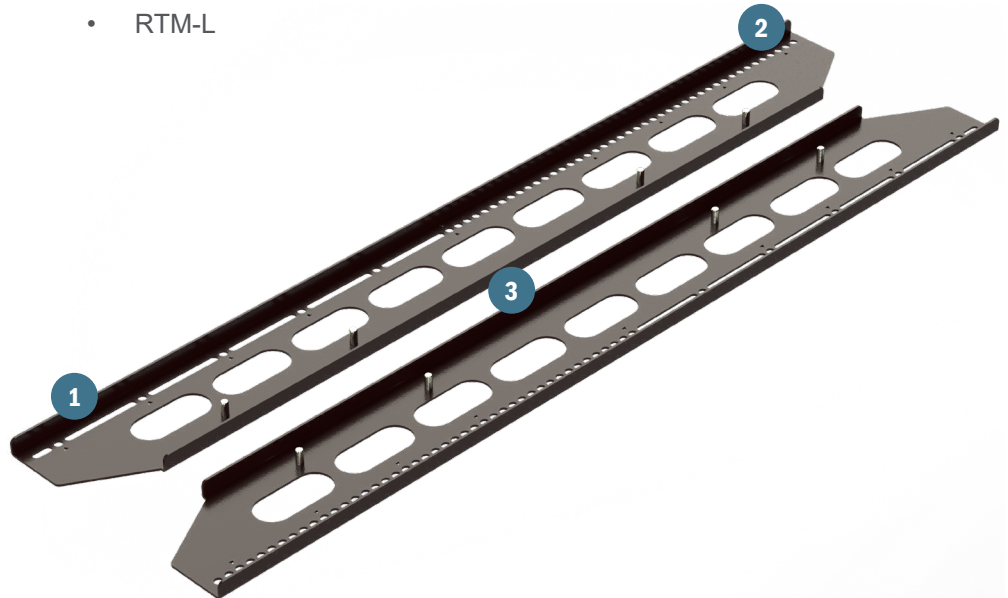

- Adapts Premier Mounts' large format display mounting solutions to displays with 1000mm x 600mm VESA Pattern
- Compatible with Premier Mount
- Supports displays in landscape and portrait orientation
- Low-profile design maintains desired aesthetics

Premier Mounts' VESA Extender Adapter Brackets are the perfect solution for mounting large format displays with a 1000mm x 600mm VESA pattern. These innovative brackets seamlessly adapt our heavy-duty mounts to accommodate larger format displays, including those exceeding 100 inches.

These brackets support both landscape and portrait orientations so you can mount your display in the optimal position for your specific needs, whether it's for presentations, digital signage, or video walls.

These brackets bring uncompromising compatibility with our heavy-duty mounts. Engineered for a perfect fit with the following mounts:

- CTM-MS3
- LFC-L | LFC-LB
- AM300-B
- ECM-3763S
- ECM-3763D
- RFM
- RTM-L
