

# Ultra Tilt Ceiling Mounts for displays up to 75" and 200lbs

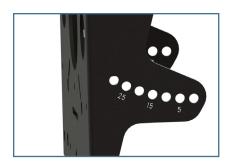

**ITEMS:** 7170-1159-00, 7170-1159-01

WEIGHT CAPACITY: 200 LB / 90.7 KG.

## **FEATURES**

- Up to 30° fixed tilt
- 360° swivel
- Turnkey design ensures a streamlined installation
- Mounting holes for gang boxes and media player brackets
- Compatible with Premier Mounts fixed and adjustable length ceiling pipes
- Built from high-grade steel, this mount provides secure and durable support for your displays.

Premier Mounts' ultra-tilt ceiling mount offers unmatched flexibility for single displays up to 75". With 30° tilt and 360° swivel, you can achieve the perfect viewing angle, whether you're showcasing digital signage, enhancing live events, or creating a captivating atmosphere in retail, quick service restaurants, hospitality, or conference centers.

Designed with ease of installation in mind, this turnkey solution comes ready to install out of the box. Compatible with Premier Mounts' 1.5" NPT ceiling mount adapters and pipes, it seamlessly integrates into your existing infrastructure.

The mount's versatility extends beyond its adjustable viewing angles. It features mounting holes for gang boxes and media player brackets, allowing you to customize your setup to meet specific requirements.

Not only is this mount functional, but it's also aesthetically pleasing. Its sleek design ensures that your display takes center stage, without compromising the overall aesthetic of your space.

Built from high-quality materials, our ultra-tilt ceiling mount provides reliable support for your display, even in high-traffic areas. It's the ideal solution for professionals who demand both performance and style.
