

PM 7160-1409

Give your Equinox Luxe 6200m the protection it deserves! Constructed from high-impact ABS plastic, the 7160-1409 case provides full-surface protection against drops, abrasion, & everyday wear. Its lightweight, form-fitting design maintains access to all device ports & buttons while ensuring secure handling during mobile use. Compatible with all Equinox Luxe 6200m configurations—mobile, wired, & wired+stand—this case supports flexible deployment without restricting charging or connectivity. On-the-go transactions just got stronger!

FEATURES + BENEFITS

- ✓ Mobile, wired+stand & wired version compatibility.
- ✎ Works with extended battery & access to buttons + ports.
- ⚡ ABS plastic case snaps together for fast/easy install.
- ✚ Attachment point for included neck & wrist lanyard.
- A+ AMPS hole pattern for attaching belt clip or drive-thru handle accessories.
- 🛡️ Limited Lifetime Warranty.
