

PPS-PTM | PPS-PTB

Enhance your point-of-sale experience with the PPS-PTM — a versatile, user-friendly terminal mount designed for 10”–32” monitors. Ideal for food service, retail, and event venues, this countertop solution delivers a clean, professional transaction experience for both staff and customers.

The **PPS-PTM** offers smooth height adjustment along with tilt, swivel, and rotation capabilities, allowing for perfect positioning and ease of use. It can be securely mounted directly to your countertop or paired with the optional PPS-PTB platform base for added flexibility and stability. The **PPS-PTB** base provides a robust surface ideal for glass countertops, delicate materials, or temporary setups like pop-up food and retail environments. It arrives ready to use — simply attach the PPS-PTM and you’re good to go!
